About Fright Nights

Fright Nights is a charity driven, 50+ volunteer, haunted attraction where 100% of all money collected goes to charity. We have raised money for NC Food Bank and Duke PBMT Family Support Program.

We started this in 2012 when our daughter Kasey wanted to do something special for her favorite charity, Duke PBMT. Kasey combined her passion for helping with her Dad's passion for Halloween.

Since then, we have built an amazing haunted house and have raised over \$13,000 for charity! More importantly, we have built a community of young volunteers who are passionate about seeing this charity event grow!

We are expecting approximately 100 guests to attend each event!
