About Fright Nights

Fright Nights is a charity driven, 50+ volunteer, haunted attraction where 100% of all money collected goes to charity. We have raised money for NC Food Bank and Duke PBMT Family Support Program.

We started this in 2012 when our daughter Kasey wanted to do something special for her favorite charity, Duke PBMT. Kasey combined her passion for helping with her Dad's passion for Halloween.

Since then, we have built an amazing haunted house and have raised over \$13,000 for charity! More importantly, we have built a community of young volunteers who are passionate about seeing this charity event grow!

DONATIONS

Admission is FREE but we gladly accept donations! 100% of the money we collect will go to the Food Bank of Central & Eastern NC and Duke Children's Hospital PBMT. A donation as small as \$10 can provide 50 meals to people in our community or help the family of a child getting a bone marrow transplant. Help us reach our goal of raising \$5000 for these incredible charities!

Cash donations are welcome or checks can be made out to either the Food Bank of Central & Eastern North Carolina or Duke PBMT.
